## Dear Residents of Clinton Township,

The Charter Township of Clinton has faced a number of serious challenges over the last 5 years and citizen support has been crucial to our success. We have a special opportunity, one that only comes every five years, to gather the input of all of our residents and make plans to provide for the future of the Clinton Township community. Please be sure to contribute to the Recreation Master Plan process by visiting the Community Open House or by emailing your opinions through the Township web site by January 20, 2007. The future of services to our children, seniors and the development of parks and facilities is important – be sure your voice is heard!

A New Year brings new opportunities; visit a local park for sledding, skating or a brisk winter's walk. Join a water exercise or an aerobics class. Learn a new skill like First Aid or CPR. Keep that resolution for more quality family time by signing up for our Daddy Daughter Dance, Mom Son Fun Day or family field trips. Your Parks and Recreation Department is here to help enhance family life, health and wellness in the Clinton Township Community.

Sincerely,

Clinton Township Board of Trustees

Robert J. Cannon, Supervisor

Dennis Tomlinson, Clerk

William J. Sowerby, Treasurer

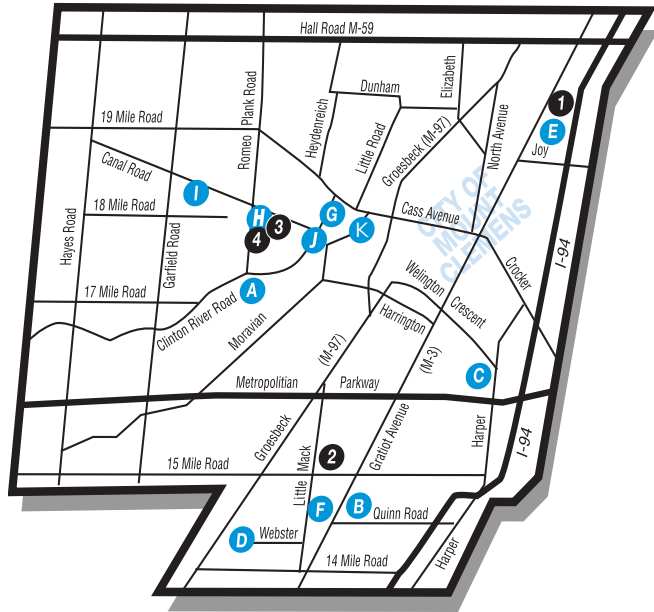

George Fitzgerald, Trustee

Ernest O. Hornung, Trustee

Dean Reynolds, Trustee

Joie West, Trustee

## Introducing: Christine Ligotti

Ms. Christine Ligotti has been an important part of the Clinton Township Parks and Recreation family for the past three years. She started as a Public Information Assistant at our Clintondale pool where she did outstanding work with our parents & children. Her expertise with our computer programs have made her invaluable to the staff and the public. Christine has also worked many special events including Family Fall Festival, Easter Egg Hunt and Summer Concerts. For the first time this year, Christine was a Flag Football Field Supervisor and a Program Assistant in our office. In these new roles, Christine has been an integral part of the service delivery team – a vital link between on-site programs and the office. Not many of our seasonal staffers have had the time or the variety of skill sets to serve in the many capacities which Ms. Ligotti does, on behalf of the Clinton Township Community.

Christine Ligotti has been a Clinton Township resident for the past 21 years. She lives with her mother, Sarah and her dog, Trevor. Christine has attended Saginaw Valley University and Wayne State University and is finishing up her secondary teaching degree in Social Studies.

When asked what her favorite part of the job is, Ms. Ligotti replied, "it is watching the participants beaming from ear to ear after swim class; telling their parents how they jumped off the diving board or what new thing they learned." She also finds working special events rewarding, "knowing that you helped make a memory for families that will last a lifetime is amazing. I feel proud and blessed to have the opportunity to work with the hardworking and dedicated people of CTPR. I think of them as my second family."

Christine always puts the residents of Clinton Township first. She is a warm and friendly person who is always ready to help a citizen or a co-worker. She is an accomplished and sincere young person who will be a "life-changing" teacher to her future students and an important part of her community. We are grateful for her efforts and commitment to the Parks and Recreation program. We want her to know that she is a cherished part of the CTPR family.

## Family Testimonial

### Meet the Patton Family...

Proud parents Cliff and Tammy and her little sister Traci – 15 and wonderful children: A.J. – 14, Clifford – 8, Daniel – 6, Bailey Maria – 3 and Grant – 1.

The Patton Family has enjoyed many programs over the past 21½ years including: TAC, Teen Volunteer program, Swimming program, Fall Family Festival, PreSchool Day Camp, Summer Day Camp, Easter Egg Hunt, Haunted Halloween, Christmas Aglow, Swim Olympics, Fishing Derby, Punt, Pass & Kick, Out door Movies, Summer Concerts and Walk Michigan.

Cliff relates, "We have been impressed with Clinton Township's recreational programs even before we moved here. Our oldest son, Anthony, had friends involved in CTPR and we had the opportunity to see the different activities and events that were offered throughout the year. You see, where we used to live we always had to travel outside of the community to get quality programs and services. We love the fact that we don't have to travel miles to have the programs and services we desire and count on. CTPR has dynamic, creative, successful programs and events in our own backyard." As a mom of children with a variety of interests and ages, Tammy loves that every member of the family can find something for them. She says, "With the size of our family, it is sometimes difficult to find activities that are both affordable and entertaining to everyone. CTPR truly has something for everyone; whether it is the Teen Advisory Council for the two older children or the Easter Egg Hunt and

Pre School Camp for our toddler or the Fall Family Festival for the entire household. There is always a program or event that we can be involved in and truly enjoy. If we had to pick just one of the many, we can honestly say we wouldn't be able to narrow it down. "My wife was won over by the Walk Michigan, 1 mile health walk because she loves to walk", adds Cliff.

What does it take to gain the commitment of residents like the Patton Family? Cliff and Tammy have had a positive experience with CTPR. They say, "Our expectations were exceeded at several junctures. The professionalism, commitment and organization from both the staff and volunteers is to be commended (you should all sit yourselves on pedestals). The availability, affordability and variety of programs throughout the year are impressive. It appears as though everyone has a specific role to play and they enjoy playing it. CTPR should be proud and impressed with themselves. You are all awesome."

We are humbled by the kind words of the Patton family and appreciative of their enthusiastic participation. Families like the Pattons are what make the Clinton Township community great. Cliff and Tammy are committed and involved parents who clearly enjoy their children. They are dedicated to seeking out opportunities for each of them and each of the children support the others. Healthy and active families like the Patton's are what makes CTPR programs great. We think they are an impressive group and we look for great things from each of the extraordinary Patton children.

## mom & son fun day

A great spring event, just for Mom and her boys. Moms and sons work together as a team. ## geocaching 101

Geocaching is the hottest new sport to attract thousands of international players. Featured on ABC News and in news stories around the globe, geocaching ([www.geocaching.com](http://www.geocaching.com)) is a worldwide, high-tech treasure hunt using Global Positioning System receivers and the Internet.

The Global Positioning System (GPS) enables people to pinpoint specific geographic locations accurately—anywhere in the world—using a GPS receiver. Once a person has hidden a treasure (or “geocache”) and recorded the location, another player can locate the geocache using his or her GPS receiver. Clinton Township is home to over 25 geocaches!

The Geocaching 101 class will teach participants how to use a GPS receiver and how to successfully participate in the game. You don't have to bring a GPS receiver because one will be provided for the class. This is a great opportunity for anyone interested in using a GPS receiver and trying an exciting new hobby.

Geocaching is a wonderful activity for families, scout groups and all outdoor enthusiasts. Because of the various difficulty levels in geocache hunts, people of all abilities can find suitable challenges. Geocaching attracts a diverse group of people. Our Geocaching 101 class is designed for adults and children age ten and above.

### Geocaching 101 Includes:

- GPS history and function
- Finding a cache
- Basic use of the GPS receivers
- Instruction and hands-on experience
- Using geocaching.com web site

## intro to competitive swimming & endurance training

Our aquatic program is second to none! We feature expertly trained lifeguards and experienced swim teachers and we offer classes with small student-teacher ratios so that each student receives individual attention. Our students spend less time watching and more time doing.

As a result of demand by our more advanced swim lesson students, lap swimmers, masters swimmer and area tri-athletes we are introducing a new program.

This class is for the novice level swimmer looking to gain knowledge and build endurance in swimming. Participants must have completed Level 5 or be able to demonstrate all four competitive strokes. Strokes will not be taught in this program.

- Learn the fundamentals of competitive swimming (circle swimming, flip turns)
- Using swim aids (i.e. pull buoy)
- Focus on four racing strokes: Freestyle, backstroke, breaststroke, butterfly
- Have our staff design pacing and set goal times to improve your performance
- Build endurance by swimming distance
- Breath control

# Swim Program

## CANCELLATIONS POOL CLOSED

Monday, February 19: Make up Friday, January 19

Saturdays: February 17, March 31, April 7

April 6 - 15: Spring Break - no make up • Monday, May 28 - no make up

We believe our program offers the best opportunity for young swimmers to learn and experience success in a swim lesson. We are proud to provide this program to Clinton Township. We provide friendly instruction and quality classes with small teacher-student ratios.

Classes: All classes meet 12 times per session. Either twice per week for 6 weeks or for 12 consecutive Saturdays (unless a school closure occurs).

All registration, water testing and instruction take place at the Clintondale Community School pool located in the rear of building at 35300 Little Mack, just south east of Metro Parkway and Groesbeck.

# Important Registration Information

Use Registration Form on Page 15

## REGISTRATION GUIDELINES

Most Parks and Recreation programs require pre-registration. All brochures contain a registration form that may be copied. Registration forms may be printed from our web site, or additional forms may be obtained by calling or stopping by our office.

## WAYS TO REGISTER:

- Walk-in at the Parks and Recreation Office
- Mail-in
- Fax (credit card registrations only)

Payment is not accepted at the event sites!

## One Household Per Registration Form

## HELPFUL HINTS

To insure that your family and another family will attend the same class or event, or to be seated together, registration forms should be mailed together in the same envelope, or submitted at the same time.

Use the "Check List" on each registration form to verify that forms are complete. For mail-in only registration, it is recommended to use local post offices for timely delivery.

## NO HASSLE REFUND

Your time and money are important investments. That is why Clinton Township Parks and Recreation has a special refund policy for all of our in-

house programs. If you are dissatisfied, for any reason, we will refund the full amount of your registration fee. This policy is not able to cover commercial ticket sales or contractual classes; all other programs we offer are covered. Pro-rated refunds will not be retroactive and must be assessed from the date of contact to our office. Pro-rated refunds cannot be given for vacation schedule conflicts or other non-emergency situations. Your satisfaction is always guaranteed at Clinton Township Parks and Recreation.

## REFUND

To receive a refund for a program or event, you must call the Parks and Recreation office at least two (2) business days prior to the event date. This allows us to place persons on a waiting list in your spot. Without this timely notice, a full refund is not available.

## PAYMENTS

Accepted forms of payment are cash, check, money orders and VISA or Mastercard. Payment must be made at the time of registration.

## VISA and MASTER CARD

For your convenience, we accept VISA and MASTERCARD! Register by fax or mail with your Visa/MC. Clinton Township Parks and Recreation and your Township Board of Trustees want our process to be quicker and easier for you! Look for increased services by credit card!

*All activity fees, dates, days, and times are subject to change.*

## EMAIL RECEIPTS - Faster Service and Cost Effective

New technology has allowed us to begin emailing all of our receipts for programs and services.

This is a great improvement. By emailing a receipt we can give you confirmation of your registration much quicker than in the past. It also saves a great deal of tax dollars as we now spend less on envelopes and receipt paper not to mention the savings of staff time and postage.

In order to make sure you receive your email receipt, please check your inbox and program it to accept email from recreation@clintontownship-mi.gov. Then check your email regularly. If your email address changes – please notify us immediately so that we can update your record.

We are working toward online registration – keep your eyes open for the announcement starting this new and convenient service in the next few months. Many thanks to our IT department for working diligently to make registering with CTPR as easy and customer friendly as possible.

## Watershed Workshop Watershed Friendly Lawn Care

Spring is a great time to think about lawn care. By making small adjustments in our landscaping practices, each of us can make a big difference in the health of our creeks, lakes and rivers. Join the Clinton River Watershed Council and Clinton Township staff in this interactive workshop and learn the "whys and hows" of soil testing, fertilizer selection and people/pet friendly strategies for managing pests. Discover how using native plants and rain gardens can be a beautiful way to bring beneficial wildlife into our neighborhoods, conserve water and reduce water pollution. Walk away with resources and cost-effective ideas to begin making your yard more watershed-friendly this spring and summer.

## american red cross first aid & community cpr with aed skills

The American Red Cross has made changes and additions to their training curriculum. These changes will be included in this comprehensive class for persons to be certified in all aspects of safety. This class covers Adult, Infant, and Child CPR and is taught by trained and certified American Red Cross instructors. This class is ideal for everyone, including parents, grandparents, and educators. When you finish, you will have knowledge in handling real-life emergencies. Upon completion of the practical and written tests, all students will receive their certification cards. This class is for persons who are not currently certified in the new curriculum.

## pet first aid

What do you do in the event that your pet breaks a leg, has a run-in with another animal, or gets severely sick? Most people are not trained to respond to a situation like this. Now you have an opportunity to learn care for common ailments and emergencies, how to create a pet first aid kit, and tips on general health and well being. Our instructors are bringing this information to you in a class endorsed by the American Red Cross and The Humane Society of the United States. Don't miss out on this great opportunity. This class is dog and cat care specific.

## dog park

Join now and be a part of a great group of people...dog park pass owners. Dogs of all sizes can come and enjoy this 1.5 acre fenced in doggy playground. Featured amenities include benches, complimentary pet waste bags, an area for small dogs, and a drinking fountain (seasonal) for humans and their four legged friends. In addition, pass holders are first to hear about new programs and events held in the dog park. To obtain a park pass, owners must come to the Parks and Recreation Department and provide dog license paperwork and proof of current immunizations (Rabies, DHPP, and Bordetella). The dog park is open dawn until dusk, 365 days a year!

## THE AMERICANS WITH DISABILITIES ACT

The Americans with Disabilities Act went into effect on January 26, 1992. To this nation's more than 43 million citizens with disabilities, the ADA represents an unprecedented opportunity to eliminate the barriers to independence and productivity.

The purpose of the ADA is to extend to people with disabilities civil rights similar to those now available on the basis of race, color, sex, national origin and religion through the civil rights act of 1964. It prohibits discrimination on the basis of disability in the private sector and in state and local private entities. It also includes provisions for telecommunications relay services.

The Charter Township of Clinton honors the ADA and will work diligently to make the necessary accommodations for individuals who need them. Please use the appropriate area on the registration form to make us aware of your situation and needs prior to your participation in a Clinton Township Parks and Recreation program.

COPIES OF THE ADA ARE AVAILABLE FROM YOUR SENATORS AND REPRESENTATIVES AND CAN BE FOUND IN YOUR LOCAL LIBRARY.
